

Making Learning FUN!

Music and Movement School Incursions

Interactive ● Educational ● Full of fun

Bring the fun of Jingle Tots into your classroom

Our energetic **45-minute** music and movement incursion gives young children the opportunity to learn through music, movement, rhythm and play.

Designed especially for **Pre-Kindy, Kindy and Pre-Primary students**, each session is carefully structured to be age-appropriate, engaging and lots of fun.

**Real learning. Real movement.
Real fun.**

Designed for Early Learners

Our school incursions can be adapted to suit the age and developmental needs of your students. Activities are designed to support learning across a range of areas while encouraging confidence, participation and creativity.

What will the children experience?

Hands-on music making

Children will have the opportunity to play at least two percussion instruments.

Rhythm & musical awareness

Songs and musical activities encourage children to listen, respond and explore.

Movement & coordination

Children are encouraged to move in lots of different ways, helping develop coordination and motor skills.

Learning through play

The program combines music, movement and imagination so children are learning while having fun.

45 mins of active engagement

The fast-paced format keeps young children involved and participating throughout the session.
